UROLOGY - Dr. Carlson

Dr. Kristopher Carlson is pleased to be offering urologic consultation and surgical procedures at Sabetha Community Hospital beginning February 20, 2018. Dr. Carlson has joined Premier Specialty Network (PSN) which is a physician owned network of medical specialists providing outreach services to rural communities and is one of the largest specialty outreach programs in the country.

Dr. Carlson received his Doctor of Medicine from the University of Kansas Medical Center in Kansas City. He completed his internship in

General and Trauma Surgery as well as his residency in Urologic Surgery at the Medical College of Georgia in Augusta, Georgia. He has practiced Adult and Pediatric Urology in Northeast Kansas for the last 5 years and previously practiced in Minnesota. He offers all types of urologic procedures and evaluations for a variety of health conditions including management and treatment of:

Urologic stone disease

- Kidney and ureteral stones
- Bladder stones

Pediatric Urology

- Circumcision and circumcision problems
- Undescended testicles evaluation and repairs
- Pediatric voiding disorders
- Renal abnormalities
- Vesicoureteral reflux

Male infertility evaluation and management

- Vasectomy
- Vasectomy reversal

Incontinence and Voiding dysfunction

- Male and Female incontinence and urinary disorders
- Kidney Cancer

Urologic Cancers

- Prostate Cancer
- Bladder Cancer

Benign prostate disease

- Prostate enlargement
- Inflammatory conditions

Erectile Dysfunction

- Medical management including oral and injectable therapies
- Advanced surgical options including prosthesis placement

Adult Penile disorders

- Surgical and non-surgical treatment of a variety of conditions
- Urethral stricture disease
- Phimosis
- Peyronies disease

To schedule an appointment with Dr. Carlson, please contact the Sabetha Community Hospital Outpatient Department at 785-284-1552.

PULMONOLOGY

Michelle Warren, APRN, will be joining Dr. Vlad Dimitriu on the days he sees patients at Sabetha Community Hospital. They both will see pulmonology patients. Dr. Dimitriu will see all new consults and Michelle will be seeing follow up patients. Michelle will also be able to see patients for sleep studies with symptoms pertaining to snoring, fatigue and sleep apnea. Michelle received her BS from Kansas State University, her BSN from Baker University School of Nursing and her MSN from Ball State in Muncie Indiana. To make an appointment with Michelle, call the Sabetha Community Hospital Outpatient Department at 785-284-1552.

REGISTERED DIETICIAN

Sabetha Community Hospital is pleased to announce that Ann Wassenberg, RDN, LD began providing dietary services in January, 2018 for Sabetha Community Hospital. Ann received her Bachelor of Science from Kansas State University. Ann is accepting appointments at the hospital for all your dietary needs. Ann is at the hospital on Tuesdays. Call Sabetha Community Hospital at 785-284-2121 ext. 1419 to make an appointment.
